Vishal is such an incredible musician, he performed at my sister's wedding reception last weekend and everyone absolutely loved it! Besides being an extraordinary flautist, Vishal is also very kind and humble, and has all qualities of a true artist. Everyone in my family and all my friends were left amazed by Vishal's talent. I had requested him to play several songs and he really went above and beyond to engage the audience and ensured that everyone had a blast. From playing music that made us all emotional, to music that got everyone on the dance floor, Vishal showed his remarkable versatility and I really feel that choosing Blessings Flutes was the best decision as he really blessed our event! I wish him the best in all his future gigs and I know he will continue to shine wherever he performs.

Vishal is one of the most talented people I've ever met! We had a very small wedding in Niagara-on-the-Lake with only our immediate family in attendance. Vishal instantly became like family and did whatever he could to make sure we were happy. He brought so much joy to our intimate wedding reception and equally as much energy to my dad's 75th birthday celebration where we had a much larger and diverse guest count. He was attentive to what people wanted to hear and catered to the crowd's energy. We are so thankful to have met Vishal and look forward to having him be part of future milestones in our family.

Vishal was an absolute delight to work with! He took care of all the little details by collaborating with our DJ to ensure he had the right equipment as well as performing the necessary sound checks ahead of time. Vishal also played to the crowd's mood and played a variety of songs throughout our engagement party. He even took requests from us and really set the mood for some of our most precious moments. Would definitely book him again for future events! If you're looking for any sort of entertainment for an event, you can't go wrong! Thank you again for everything vishal!

Brilliant flute artist

Blessings flutes started by very fine music artist Vishal who is brilliant with his flute playing skills. His humbleness and talent makes me book his show again. Also, looking forward to meet this flute artist on my upcoming family functions. Good luck Vishal.
